Re: Remedial Investigation/Feasibility Study (RI/FS)
Standard Chlorine of Delaware, New Castle, DE

Dear Mr. Brown:

Enclosed is the Final RI/FS for the Standard Chlorine Superfund Site in New Castle, Delaware. A Proposed Plan is tentatively scheduled for August 1993, and a Record of Decision to be issued in November of 1993. If you have any questions on the enclosed material, please call me at (215) 597-0910.

Sincerely,

Katherine A. Lose
Remedial Project Manager
